

Imogene's Antlers
Example Book Review

Have you ever wondered what it would be like to have antlers? Well, in the book *Imogene's Antlers*, you will find out how Imogene felt when she woke up, one morning, with antlers on her head!

In my opinion, *Imogene's Antlers*, is a hilarious book. I feel this way because it has funny illustrations. For example, when Imogene tries to get dressed, her clothes get stuck on her antlers. This book had me laughing out loud.

I also think, "Imogene's Antlers" has funny characters! I feel this way because the characters all react differently. For example, Imogene's mother faints all the time, but the other members of the family think it is fun. Her brother thinks it's fun to put candles or donuts on her antlers.

Do you like to read funny books with funny illustrations and surprise endings? Then you must read this book!
