ABOUT ME:

Welcome to 2nd grade! I am Mrs. McCleary and I am so excited to be your teacher this year. I have been a part of MGLVA as a teacher and learning coach for over ten years. I love this virtual learning environment and can not wait to help you navigate and be part of this amazing learning space.

It is going to be so much fun to explore Math, Reading, Writing, Social Studies, and Science together in our live instruction time. I can not wait to see which classes become your favorite!
